

IACP DSP Series

iowaproviders.org/dsp-series

Calling all DSPs!

Direct Support Professionals (DSPs) are one of the most critical aspects of Long-Term Services & Supports for more than 160,000 Iowans. Investing in these essential employees is more important now than ever.

What is the DSP Series?

The IACP Education & Training Committee developed the DSP Series specifically tailored to the vital employees of our industry. With six different webinar sessions in 2022, all featuring noteworthy presenters, organizations can purchase the entire series for one low price for all of the DSPs within their workplace.
